

Tips for resetting portal password

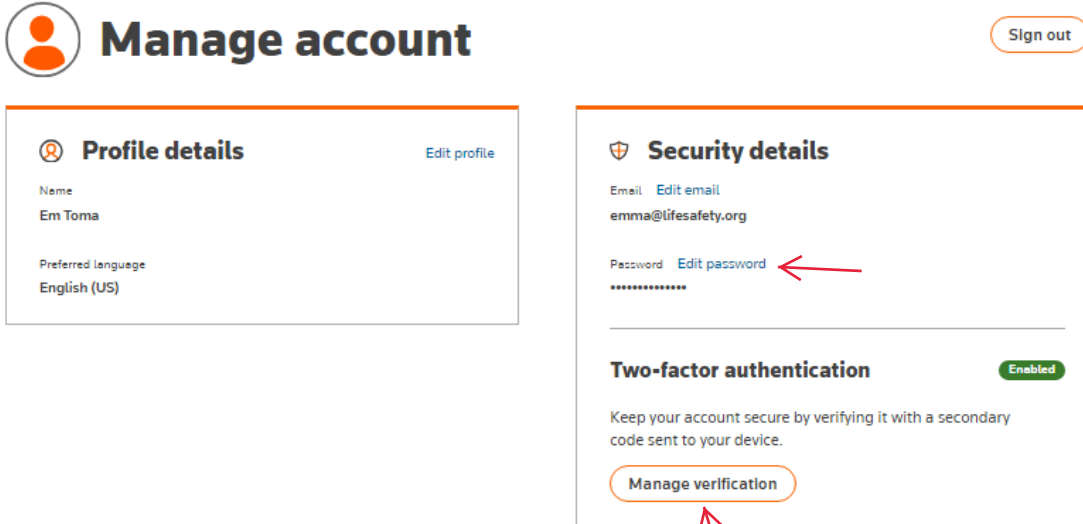

When you log in you will see this screen, to change your password click on your name.

Once you click your name click "Manage your Thomson Reuters Account" in the dropdown

You will be directed to manage your Thomson Reuters account. From here you can change your password:

Manage account Sign out

Profile details Edit profile

Name
Em Toma

Preferred language
English (US)

Security details

Email Edit email
emma@lifesafety.org

Password Edit password

Two-factor authentication Enabled

Keep your account secure by verifying it with a secondary code sent to your device.

Manage verification

You can also manage your two-factor authentication from this screen when needed.

Another way is to do it at the login screen.

Click forgot password below the "Login
